***Courage - Character - Commitment***

January 2, 2022

To whom it may concern,

I write this letter of recommendation for Tyler Hatch with much enthusiasm. I have known Tyler for the past four years and he is an incredible individual. He is a top academic performer and is involved in many other school activities. Tyler has chosen to take very rigorous course work. He has taken Honors and Advanced Placement classes throughout his high school career and has done very well as evident by his weighted GPA of 4.55. Not only does Tyler excel in academics, but he also excels in many other areas.

He is very involved at Casteel High school. He as an officer for Safe School Ambassadors, Casteel's anti bullying program. Through this program, he leads a group of students to be leaders and ambassadors on campus to help create a kinder, welcoming culture on campus and help lower instances of bullying. He is also a member of Stand Up Speak up, which helps counteract teen suicide. Tyler is a High School Mentor for our Junior High students who struggle academically. He is one of our strongest mentors. Tyler has played Baseball for Casteel High School since 7<sup>th</sup> grade. We are a 7-12 school, so we have been fortunate to have Tyler as part of our school since the 7<sup>th</sup> grade. Tyler is our current 3<sup>rd</sup> baseman for our varsity team.

What sets Tyler apart from other students is his character and his relentless pursuit to follow through and accomplish tasks, no matter how hard it may be. As you can see from the programs he has chosen to be a part of, Tyler really cares about people and making the world a better place. I have been in education for 24 years and have rarely seen the type of dedication Tyler has to people and his fellow students. Tyler is a well loved and respected individual on our campus. As evident by his GPA and course load, he has a tremendous work ethic. Whether it is academics, leadership, or athletics there really isn't anything he can't do if he tries. I know Tyler would excel in anything he chooses and would be an asset wherever he goes.

I enthusiastically recommend Tyer for your program. I feel he would be a great talent to any program, organization, or team. Please don't hesitate to contact me with further questions at 480-424-8105.

Thank you,
